5.7. Invitation and entries

The organiser must invite the Nordic countries DEN-EST-FIN-ISL-LAT-LTU-NOR-SWE. Additionally, invitations should be sent to other countries, especially USA-GER-POL-UKR and other nations.

Invitation must be written in English.

The invitation must be sent at latest 2 months before the competition.

Entries, with the number of competitors and leader, for each of the national teams must be made 1 month before the competition.

Entries with the names of competitors and leaders must be made at latest 1 week before the competition.

Rules for Nordic Junior Ski Competition, edition July 2022

Participants outside the national teams must send their entry within 2 weeks before the competition.

The organiser will offer accommodation possibilities for the national teams. Participants outside the national teams will provide their own accommodation.

The Nordic nations DEN-EST-FIN-ISL-LAT-LIT-NOR-SWE must describe the nations' teams for the Nordic Competition: In Cross Country 6, in Ski Jumping 5 and in Nordic Combined 5 of each gender.

Additionally: Athletes outside the nations' teams can enter the races, in unlimited number. These athletes will not count in the nations' competition. Only participants within the national teams can be named as individual Nordic Champion.

5.8. Sectioning and grouping

Cross Country race and Sprint race:

Section 1A and 1B: Athletes from all nations who are outside the nations' teams. Section 1A is for all athletes without FIS-points and the starting order will be determined by a draw and will start first in the competition. Section 1B is seeded according to FIS-points, the athlete with lowest FIS-points starts just before section 2.

Section 2: The teams in the Nordic Junior competition. The Section 2 will be divided into 3 groups, group I - III, (group III is the "best" group, and normally starting last) each with 2 competitors from each of the teams for the Nordic Junior Ski Championship.

Relay, and Nordic Combined Team Sprint:

The names of each team, with substitutes, are entered not later than on the captains' meeting the evening before the relay race. The exact starting order within the relay team must be delivered at latest 1 hour before the start and cannot be changed.

The first team of DEN-EST-FIN-ISL-LAT-LIT-NOR-SWE have the lowest start numbers (these are drawn). Then all the other teams will be drawn with the following start numbers.

Nordic Combined and Nordic Combined Sprint, the jumping competitions:

Section 1: Competitors from all nations who are outside the nations' teams.

Section 2: The teams for the Nordic Competition, and other competitors. Section 2 is divided into 4 groups, each with one competitor from each of the teams for the Nordic Competition. The combined jumping competition is carried out before the special jumping competition. The combined cross country race is carried out according to the "Gundersen" method.

Ski Jumping, individual competition:

The grouping will normally be made at the team captains' meeting.

Section 1: Competitors from all nations who are outside the nations' teams.

Section 2: The teams for the Nordic Junior Competition. Groups as above under Nordic combined.

Ski Jumping, Team competitions and Mixed team competitions:

The team of 2 competitors with their starting order must be delivered at latest on the evening before the competition. Both competitors will count.
