

FIS CHILDREN CUP

FIS TELEMARCK COMMITEE

Sebastien Mansart & Neil Dixon 28/04/2024

CONTEXTE

- The FIS Children races are now validated. We had some in the past.
- Goal was to make Racing in other countries easy.
 - for OC to have a lot of entries.
 - for the other Nations to come to a FIS standard race (FIS LABEL).
 - Insurances to cover the event.

Results...

- One exemple Thyon organised a FIS race and add the FIS CHILD :
<https://www.fis-ski.com/DB/general/results.html?sectorcode=TM&raceid=1576#down>
- 2 races done in 2023 (Bardonecchia 2 SP FIS/FIS CHILD and NC Thyon 1SP 1 CL)
- OC made a nice event with a lot of racers (profitability optimum)
- Give a lot of opportunity to the youngest to see the best
- Made the entry for strangers easy.

NEXT STEP : Make the FIS CHILD races a CUP

Reminder :

- FIS CHILD is a “label” with the FIS stamp.
- Same safety and rules as FIS races
- Can be organised SINGLE with a TD
- Can be organised as the support of :
 - National Cup
 - FIS race
 - National Championships
- ICR 23/24 rules : 1730 and follows
- NO FIS POINTS
- Results are published on the FIS web site in PDF
- Specific CODEX for the races

STEP 1 : Motivation and saleability

- Make the CUP attractive with :
 - Various type of races GS, SP, CL, PS
 - A OVERALL price giving
 - Different Nations invested (SUI, FRA, ITA, GB, GER, AUT.....)
 - A bonus for the best : special “Finals” at the WJC

STEP 2 : How it works ?

- FIS CHILD CUP points given at every race (as ICR for world cup) :
 - for 4 groups : U14 W and M, U16 W and M
 - The 3/4 or 5 best points are added to make the final result (depends the number and location of the races. Can be adjusted every year and announced before the season)
 - The 4 best W and the 4 best Men in each category (U14 U16) are invited for the “super final” hosted at the Juniors World Champs or the World Cup Finals (depends dates and location of WJC and WC Finals)

What to do to make it real in 2025 :

- ICR 1730 adjustments :
 - 1730.5.1 till 1720.5.2.4: in the last races done we do start list by gender/1730 category. Random draw.
 - 1730.9.3 Difficult to apply when it is joint with a FIS or National Cup with adults. It is important to reward the good jumper but if it is not a FIS CHILD SINGLE it will be too much lines and a nightmare for the jump judges.
 - Proposal 1: Lines set as usual (FIS or WC) and only a Previous one setted
 - Boys : 4 penalties if no line reached, 3 if one reached, 2 if 2 reached and zero if 3 reached
 - Girls : 3 penalties if no lines reached, 2 if one reached and zero is 2 are reached
 - Proposal 2 : Lines as ICR.
