

# **COACHS WORKING SUB-COMMITTEE**

**FIS TELEMARCK COMMITTEE**

**Sebastien Mansart 28/04/2024**

**Season 2023/2024**

# Analysis

## “Good” vibes

- As presented during Zurich Meeting the Jury asked for a Coach Rep at Pinzolo; first race of the season.
- Athletes Rep was designated for the complete season and all races. (also during the juniors except the last race Junior PS)
- Some supervised course setting done during the season ( Luca Bormolini in Pinzolo, Carrezza and Livigno)
- Cooperation with other coaches when setting can be tricky (new piste, long course (CL Melchsee F)
- Cooperation for training, sharing piste like in Pinzolo (FRA, SUI, GB, GER) or LIVIGNO (GB, ITA, FRA, NOR)
- Joint training after cancellation in Les Houches (St Gervais dates) with GB, NOR, SUI...

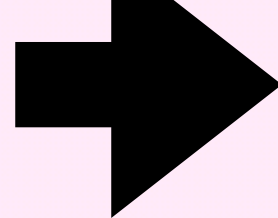

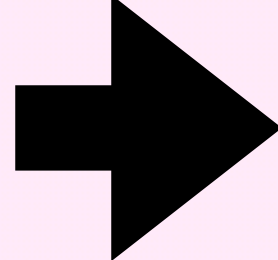

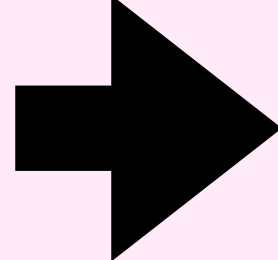

# Analysis

## “not so good” vibes

- Some setting choices because Nations **should** set an equal amount of times (Like NOR Classic 2 in Aal, Germany SP in Praloup) with some issues (safety B nets missing, no respect of the Jury recommendations)
- Too short time in the program for setting. It should include the time to loop after setting to adjust .
- 
- Lack of exchanges between jury and coachs during the training days (Jump in Carreza = 2 injuries)
- No clear consensus about the goals/philosophy of setting races :
  - Course setting with a purpose
  - Course setting with safety in mind
  - Know the rules

# PROPOSALS

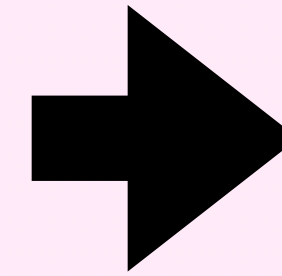

+ Advantages +

- Create an official Sub committee  • Make our Committee Telemark looking professional
- Writing rules for its governance with TD rep and Race Director  • To make it strong for long term
- Co-opt a Coach chairman for 3 or 4 years but should be different nation to the athletes race Rep  • Coach Rep and Athlete Rep will not leave at the same time. Mandates must be offset

# ACTIONS ...

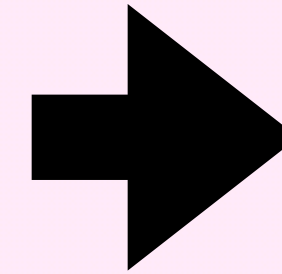

Coordination with :

- Create a process of validation of setters on world cup (election ?)

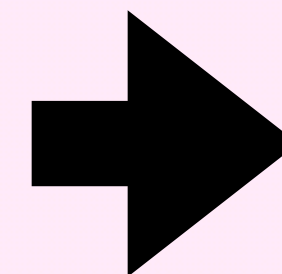

- Race Director ?

- Writing clearly the system to know how many races / runs each setter can set in WC, WJC and WCH

- Race director / TD rep ? No surprises last minute. In Praloup, german coach set the race without seeing the piste before. (no issues that time but can be a problem with other circumstances)

- Organising a meeting pre-season (in live or Visio) with all potential setters to explain the rules (how we understand them)

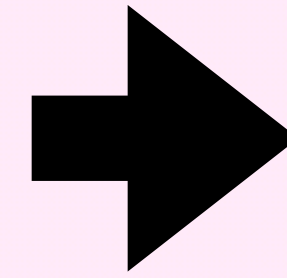

- Coach Rep, Race Director, TD rep ?

# ACTIONS ...

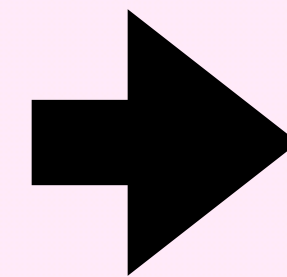

Coordination with :

- make the course pleasing to the eye

- Media coordinator ?

- make the course exciting and safe to ski

- Jury and DT's to adapt t ICR rules to the conditions

# Questions ?

- Thank you for your attention.
